B. This contract is modified based on the following price list(s):

Bailey Information Technology Consultants Internal Quote Sheet, January 1, 2016

This price list is hereby accepted as the basis of which discounts are granted and is awarded in addition to previously awarded prices lists:

C. The Most Favored Customer (MFC) remains as: Commercial End Users and the price/discount relationship between the Government and the MFC will never be less favorable to the Government than at the time of modification, that is:

For the life of the contract the Government's basic discount will never be less than 2% and will always be at least 2% greater than the 0% basic discount granted to the MFC.

D. The basic discount accepted for the Government for the newly added products is 2%.

E. Bailey Information Technology Consultants is required to update all electronic catalog submissions (GSA Advantage) and issue a new GSA price list or price list addendum incorporating the changes described in this modification. One supplemental price list shall be submitted to this office and one copy shall be submitted to the National Customer Service Center. The preferred method of distribution is electronic in accordance with your contracting officer's instructions and to the National Schedules Information Center at schedules.infocenter@gsa.gov.

F. The Industrial Funding Fee (IFF) is a separate collection mechanism and any increase or decrease in the fee does not change the price discount relationship stated above. The current IFF is .75% and should be calculated as follows:

Negotiated price divided by (1 minus .0075) which equates to Negotiated price divided by 0.9925. Example: $(\$100,000 / 0.9925) = \$100,755.67$

G. Other terms and conditions remain unchanged and remain in effect as restated below:

Expedited Delivery Time: N/A
Quantity/Volume Discount: None
Prompt Payment Discount: None
